BLACK SPEAKER GRILLE CLOTH

SALES 386-257-2956

PRODUCT OVERVIEW

This acoustic grille cloth is ideal for custom fabrication and speaker grille repair. It protects and conceals audio speakers without affecting sound reproduction. This is the same product as Install Bay's GCBLK, packaged in a convenient bulk-sized roll for professional use.

Features:

- 25yd (75ft) x 54in bulk roll, 8.8lbs
- Protects speakers from rust, sand, and dust
- Ideal stretch fabric for fiberglass projects
- Perfect material for fabrication of automotive or home speaker grilles
- Ideal replacement material for torn or faded speaker grilles
- 1-year warranty
